Re: United States v. Eliesha Murray  
24 M 752

Dear Judge Cave:

By this letter motion I respectfully seek an extension of the deadline for the cosigners' execution of Mr. Murray's bond by one week, from March 1 to March 8, 2024. The Government, does not oppose the application.

Mr. Murray has encountered difficulties in communicating with qualified prospective cosigners, and we therefore require a brief extension to comply with the condition (ECF No. 3). Mr. Murray remains under home detention, and is otherwise in full compliance with his bail requirements.

I thank the Court for its consideration.

Application GRANTED.

SO ORDERED.
